***Allowable Subject Matter***

1. Claims 1-12 and 14-44 are allowed.

The following is an examiner's statement of reasons for allowance:

The allowability of the independent claims resides, at least in part, in that closest prior art of record Russell (sensing airflow by Humanoid Robot) does not disclose or suggest, alone or in combination, an airflow indicating device having a movable component whose movement substantially corresponds to airflow in a vicinity of the airflow indicating device; one or more imaging devices positioned in the room to image the airflow indicating device, the one or more imaging devices being configured to transmit obtained images to the computer system, in combination with the other elements and features of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kidest Bahta whose telephone number is 571-272-3737. The examiner can normally be reached on Monday - Friday.
